

## **Calling All Friends**

**The Friends of Worcester Cathedral** need your support, talents and money to help the Cathedral Chapter raise half a million pounds in 2018. They have to match the Heritage Lottery Grant awarded to develop the 12<sup>th</sup> Century Medieval Undercroft as a Community and Education Centre, a project which will be of benefit to all the population of the county and beyond.

Chapter have asked The Friends to play a major part in the fund raising and thus be among the named sponsors of the project, with the requisite recognition and prestige that will accompany our contribution. The Friends are hoping to raise the money to conserve the medieval sculpture, **Christ in Majesty**, which graces College Hall and is part of the Undercroft project. This will cost around £50,000.

**Our Challenge is to contribute £50,000 which is ten percent of the whole amount!**  
So how are we going to do this?

We need **all** our members' advice and ideas. As an individual or a group of Friends we are suggesting that **you** may wish to pledge to raise £100, or more, by holding events yourselves. These could be coffee mornings, tea parties, bring and buy sales, jumble sales, raffles, knitting, baking, sponsored walks, cycle rides, or swims. Open gardens. Why not hold a dinner party and charge your guests restaurant prices? If you can work in your local community, and with your friends, it spreads the load.

**Just think if 200 Friends raised £100 each we would have £20,000.**

We have more than 600 members so this is a plea to you ALL.

We are happy to help you organise your event and will give you any assistance you may need. Your efforts and contributions will be suitably acknowledged, and we could even have our own competition so see who can raise the most money?

We look forward to receiving your suggestions and pledges as soon as possible or you can contact the Honorary Secretary directly on [eguest.99@btinternet.com](mailto:eguest.99@btinternet.com) or 07801379931 to discuss your ideas and seek help.
